

Why Is **HOLLYWOOD** Here?

Why Is Hollywood Here? will focus on the reasons the American film industry first came to Southern California, and what part your area played in the early days of filming.

Our speaker is Hollywood historian **E.J. Stephens**. Mr. Stephens has written a dozen books on the Southern Californian film industry. He is also the creator of the Newhollywood Silent Film Festival in Santa Clarita. He and his wife Kimi own Newhollywood Tours where they give guests a peek behind the curtain at film sites around Southern California.
