# Living With Purpose, On Purpose

It's never been more important to live with purpose, on purpose. To live intentionally. This talk is about how we perceive the world around us, how we behave based on those perceptions, and how to become who we need to be to face the challenges of today and tomorrow.

Our speaker is **Colin Wright**. Colin is the author of over 30 books, the blogger behind *Exile Lifestyle*, the host of the *Let's Know Things* podcast, and an international speaker who's been traveling the world full-time since 2009.
