Did she really have six toes on one foot? Was she really plus sized? Did she have an affair with the president and his brother? What kind of relationships did she have with the men in her life? What was she really like?

You may think you know the answers to these questions, but you will be surprised how many myths exist about this Hollywood icon.

Our speaker is **Elisa Jordan**,

writer and editor.

She enjoys researching the history of Old Hollywood and

since the age of five,

has been a fan of Marilyn Monroe.

Elisa has written extensively and

appeared in documentaries about

Marilyn Monroe. Elisa's will have

her book of the same name available

for purchase after the program —

\$20 (cash or check) .
