

## LA Street Names

Kester? Zelzah? Vanowen?

If you've ever been curious about how those Valley streets came by their unusual names, this talk is for you.

**Mark Tapio Kines** started investigating the origins of street names across Los Angeles County in 2020 as a labor of love. To date, he has completed writeups for over 1,700 streets for his project, aptly titled L.A. Street Names ([lastreetnames.com](http://lastreetnames.com) and @lastreetnames).

Mark will share the history and lore behind some of the San Fernando Valley's major streets – as well as those unique to the Sunland-Tujunga-Shadow Hills area.
